Re: Doupona vs. Port Authority of New York and New Jersey, et al.
11-CV-264 VLB

Dear Judge Briccetti:

We represent the plaintiff in the above-referenced case, which has been settled.

To date, the plaintiff has received only one-half of the settlement amount. We are awaiting payment of the other half of the settlement amount, which is to be paid by the defendant Oxford Technical Services, Inc.

After having been advised that the case was settled, by Order dated July 10, 2012, Your Honor ordered "that this action is dismissed without costs and without prejudice to restoring the action to the Courts calendar, provided the application to restore the action is made by no later than August 9, 2012."

We wrote to the Court on August 8, 2012 because the settlement documents had not been fully executed and the plaintiff had not received any of the settlement monies as of that date.

In response to that letter, the Court extended the deadline for an application to restore the case to the calendar to September 14, 2012.

Because we have not received the entirety of the settlement amount, we are constrained to write to the Court to request that either the case be restored to the calendar or that the deadline for applying to the Court to restore the case to the calendar be extended.

Thank you.

Respectfully,
Larkin, Axelrod, Ingrassia & Tetenbaum, L.L.P.
